

Altius Lifts Ltd Environmental Policy

Policy Statement

Altius Lifts Ltd is committed to minimizing the environmental impact of our operations and promoting sustainability in all aspects of our business. We recognise our responsibility to protect the environment and are dedicated to implementing practices that contribute to a cleaner, healthier and more sustainable world.

Objectives

1. To comply with all relevant environmental legislation and regulations in the UK.
2. To minimise waste and maximize resource efficiency.
3. To reduce greenhouse gas emissions and our carbon footprint.
4. To prevent pollution and protect natural resources.
5. To promote environmental awareness and responsibility among our employees, clients and contractors.

Commitments

1. **Compliance**
 - Ensure compliance with all applicable environmental laws, regulations and standards, including those set by the Environment Agency and local authorities.
2. **Resource Efficiency**
 - Implement practices to reduce waste and enhance the efficient use of energy, water and raw materials.
 - Promote recycling and the use of recycled and sustainable materials.
3. **Energy and Emissions**
 - Reduce energy consumption and seek renewable energy sources where feasible.
 - Monitor and aim to reduce our greenhouse gas emissions and overall carbon footprint.
4. **Pollution Prevention**
 - Implement measures to prevent pollution and manage waste responsibly.
 - Ensure the safe handling, storage and disposal of hazardous materials.
5. **Sustainable Practices**
 - Encourage sustainable practices in our supply chain and among our business partners.
 - Incorporate environmental considerations into our procurement processes.
6. **Environmental Awareness**
 - Provide training and resources to our employees to enhance their environmental awareness and responsibility.
 - Foster a culture of environmental stewardship within the company.
7. **Continuous Improvement**
 - Set measurable environmental objectives and targets.
 - Regularly monitor and review our environmental performance and strive for continuous improvement.
 - Engage with stakeholders to gather feedback and implement best practices.

Implementation

1. Management Responsibility

- Senior management is responsible for the implementation and effectiveness of this policy.
- Allocate appropriate resources to support environmental initiatives and compliance.

2. Employee Responsibility

- Employees are expected to adhere to this policy and actively participate in environmental programs and initiatives.
- Report any environmental concerns or incidents to their supervisor or the designated environmental officer.

3. Communication and Reporting

- Maintain open communication regarding environmental issues and initiatives.
- Regularly report on our environmental performance and progress towards our objectives.

Review and Continuous Improvement

Altius Lifts Ltd is committed to the continuous improvement of our environmental performance. This policy will be reviewed annually, or more frequently, if necessary, to ensure its effectiveness and relevance. Feedback from employees, clients, contractors and other stakeholders will be actively sought and considered in the review process.

Approval

This environmental policy is endorsed by the senior management of Altius Lifts Ltd and is effective from 10/03/2026.
